PREFACE

The Krishnaguru Adhyatmik Visvavidyalaya is the only spiritual university in this part of the country. It is the sixth private university in the state of Assam. The Visvavidyalaya is located in a serene and lush green campus of Krishnaguru Sewashram at Nasatra at Barpeta district of Assam. This holy place is also a spiritual destination for lakhs of devotees of His Holiness Krishnaguru Prabhu Ishwar.

The University gives efforts towards building a strong holistic academic environment along with socioeconomic and environmental realities in North East India. The university has already started job-oriented professional courses along with various courses in humanities and social sciences. There are professional courses like Nursing, Physiotherapy and skill development along with several value added courses attuned to the NEP 2020. The university aims to impart value based quality education blended with spiritualism in order to achieve holistic development in the society.

The Visvavidyalaya was approved and enacted vide Assam Act No. XXVI of 2017 under Assam Private University Act, 2007 by Assam Legislative Assembly which received the accent of the Hon'ble Governor, Assam on 6th April, 2017.

The university has introduced many disciplines from UG, PG & Ph.D. programme. Ph.D. in Assamese, Political Science, Philosophy, Education, Economics, Mathematics & English. Professional courses like B.Sc. Nursing, GNM, BPT (Bachelor of Physiotherapy) and skill training in Welding, Plumbing, Electrician and Fitter etc. are also offered.

The university community has continuously stringing to achieve higher teaching learning and research standards. Efforts have been made in the directions of standard research passing on indigenous knowledge of culture of this part of the country. We are engaging visiting and adjunct faculties from different institutions of this part of the country and also from outside the country. Memorandum of understanding (MOU) has been done with many local, national and international institutions to promote global standards of education.

Understanding the importance of national education policy 2020 as a tool for educational transformation the university has promulgated a structure for implementation of the policy. The curricular framework is promulgated with a student's entry approach and provides flexibility in terms of exit points. Effort has been given towards creative disciplines for study with multidisciplinary approach.

Supportive and Facilitative Infrastructure

In addition to increase physical infrastructure other infrastructures such as intellectual infrastructure and emotional infrastructure need to be emphasized, where intellectual infrastructure involves people and their competencies and capabilities, emotional infrastructure involves the egos and emotions of the people in the institutions and their emotional contribution and bonding with their institutions. It is very tough to build both intellectual and emotional infrastructure. Building of such infrastructure facilitates a sense of pride, security and ownership in its constituents, such as among students, professors, teachers, staff and all other relevant stakeholders of the university.

At Krishnaguru Adhyatmik Visvavidyalaya several measures have been undertaken to increase this emotional and intellectual infrastructure as mentioned below.

- xiii. All regulations of the University related to various services have been framed as learner centric.
- xiv. Efforts have been made to provide transparency in administration with democratic touch may be given.
- xv. The visionary administrators treat every stakeholder as the family member.
- xvi. Atmosphere has been created to build mutual trust and respect between stakeholders.
- xvii. The institutional tradition and culture has been developed from local traditional culture.
- xviii. The administrative system has been created in such a way that everybody knows their responsibility towards the institution.
- xix. The administrations take measures for security and justice to all employees and students.
- xx. Open ness & transparency in all administrative decisions are maintained.
- xxi. The University maintains Social responsibility for economically weaker sections & locals.

Inclusion and Diversity

While preparing The Institutional Developmental Plan of Krishnaguru Adhyatmik Visvavidyalaya some steps have been taken to include all sections of students for admission into various courses. These have been mentioned bellow:

(i) Provisions have been incorporated for students of every sections of the society such as SC/ST/OBC etc.

(ii) Collaborations with local community have been established to identify their learning needs.

(iii) Efforts have been made to establish diversity in the composition of students, faculty, and staff in terms of gender, class, religion, region, caste, and nationality.

(iv) The admission fees have been lessened so that students belonging to weaker section can also pursue higher education.

(v) Financial assistance to socio economically disadvantaged students have also been provided.

(vi) Admission process has been made more inclusive.

(vii) The curriculum is also inclusive in nature.

(viii) The Educational programme has been designed to increase employability potential.

(ix) Maximum courses are taught in Indian languages and it is bilingual in nature.

(x) There is provision in all buildings and facilities are also there for Persons with Disability (PwD)

(xi) There is provision of bridge courses for students that come from disadvantaged educational backgrounds.

(xii) To provide socio-emotional and academic support for the students through suitable counselling and mentoring programmes.

(xiii) Measures have been taken to ensure sensitization of faculty, counsellor, and students on gender- identity issue and its inclusion in all aspects including curricula.

(xiv) All no-discrimination and anti-harassment rules have been established. Women and gender cells, Internal Committees for sexual harassment cases; and gender champions, have been working.

Infrastructure for Networking and Collaborations

- (a) The role of the students pursuing higher education in any educational Institution never ends with completing their regular courses.
- (b) They are the real Trustee and major stakeholders in Governance, Management and Growth of the Institutions. In order to give them coverage a networking system has been established in the university by forming an Alumni Associations

.Networking and Social Connectivity at Krishnaguru Adhyatmik

Visvavidyalaya :

- i. It would not only include academia but also civil society for the development through quality education, research, field action or advocacy.
- ii. This networking increases monitoring inputs to incentive is outcomes and impacts.
- iii. Through establishment of partnerships with various Centres of Excellence and institutions across boundaries, enhance improvement in research and teaching.

Collaboration of Krishnaguru Adhyatmik Visvavidyalaya with other higher education institutions

The Krishnaguru Adhyatmik Visvavidyalaya has academic collaboration with some higher education institutions located in and around the district in which the university is situated. Moreover it has collaboration with some local industries. Under this collaboration a systematic plan has been developed for involving industry experts in the teaching-learning process. Starting from planning the courses and the subjects, developing the curriculum, collaborative training, and collective evaluation, and offering employment, industry-institute interaction has the opportunity to add value to their services. Connecting with the industry, with the alumni, with other higher education & research institutions creates synergy for collective development.

The University has some other purposes for entering into such academic collaborations with different higher education institutions. These purposes are–

- (i) The university has realised that “it is by the society and for the society” so by working with those organizations in a team, it can fulfil their objectives and contributes substantially for the society.
- (ii) By involving alumni in close confidence in many processes the university shall get huge benefit for its image building process.
- (iii) Collaborating industries will provide internship and employment opportunities in curriculum design.
- (iv) The collaborating industries will help the university by means of involving/admitting faculty members of such institutions in university research programmes.
- (v) Collaboration with national university will be helpful for joint research & publications, Credit transfer Courses, Dual degree programmes, etc.
- (vi) Collaboration with other higher education institutions will increase inter student exchange programme.
- (vii) The effective networking will enhance more for self and mutual development along with their brand image.
- (viii) Collaboration and partnership with local, national institutions will support other infrastructures like innovative academic infrastructure, intellectual property infrastructure and emotional infrastructure.

Governance Infrastructure

Governance Infrastructure denotes the system by which entities are directed and controlled. It is concerned with structure and processes for decision-making, accountability, control and behaviour at the top of an entity. Governance influences how the objectives of organisations are set and achieved, how risk is monitored and addressed and how performance is optimised. Governance is system and a process and not a single activity. Therefore successful implementation of a good governance strategy requires a systematic approach that incorporates strategic planning, risk management and performance management.

Governance encompasses structures, relationships and processes through which both at national and institutional levels, policies for tertiary education are developed, implemented and reviewed. Governance comprises a complex web including the legislative framework, the characteristics of the institutions and how they relate to the whole system, how money is allocated to institutions and how they are accountable for the way it is spent, as well as less formal structures and relationships which steer and influence behaviour.

Governance at Krishnaguru Adhyatmik Visvavidyalaya:

Governance has become a major element for improving quality in aspects of higher education. In view of the above the authority of Krishnaguru Adhyatmik Visvavidyalaya has tried to build a Good Governance in the university and this has been done keeping in mind the following aspects:

- (i) To preserve and strengthen confidence of employees, students and guardians and public at large.
- (ii) To provide the foundation for a sustain able high-performing organisation
- (iii) To ensure that the Institution can respond to a changing external environment.
- (iv) To support implementation of the Institution Development Plan
- (v) To support employability as well as the start-up ecosystem
- (vi) To promote institutional excellence through autonomy and accountability and better performance
- (vii) To cater to the new mode of teaching such as distance learning and E-learning.
- (viii) To inclusively address requirements of the heterogeneous student body- increased female participation in HEIs.
- (ix) To address the growing internationalization of higher education and ranking and leveraging knowledge through research and innovation
- (x) Good effective governance promotes quality assurance.

Financial Infrastructure and Funding Models (Resource Generation)

It is generally known that financial infrastructure is the heart of the financial system and a prerequisite for its operation. A financial infrastructure comprises the technical systems that deal with payments and financial instruments. A robust financial infrastructure would enable the institutions to make and receive payments safely and efficiently along with creating routes for sustained research funding options.

Financial infrastructure at Krishnaguru Adhyatmik Visvavidyalaya:

Looking at the importance of a good financial infrastructure Krishnaguru Adhyatmik Visvavidyalaya has been trying to strengthen its financial infrastructure since inception. Main steps have been taken to build a sound financial infrastructure by the authority are as follows:

(a) **Funding source:** The authority has identified and prioritized the source of funding for the development of financial infrastructure such as government grants, alumni donations and private sector partnerships. The main sources of funding are-

(i) Tuitions fees from the students.

(ii) Government grants.

(iii) Endowments, contributions and other income like CSR, grants for different companies

In order to increase revenue from students efforts have been made for expansion of undergraduate and post graduate programme and to increase number of students.

(b) **Budget Allocation:**

The authority of Krishnaguru Adhyatmik Visvavidyalaya is very rational in allocating resources among different heads, such as infrastructure development, faculty and staff salaries, student services and research initiatives.

(c) **Transparency:**

The authority is very cautious that all financial transactions are transparent, accountable and auditable to maintain trust and credibility with stakeholders.

(d) **Financial Sustainability:**

The Committee after discussing all the sub heads of receipt and expenditure accorded approval for the same. Before presentation of the Financial Status *Bhaktimatri Aai* as well as CF& AO addressed to the meeting how the dream of his Holiness *Paramguru Prabhu Ishwar*, Krishnaguru Adhyatmik Visvavidyalaya turned into a reality and how the infrastructure has been built up with the financial assistance of the devotees of the Ashram, assistance from the Government and Admission fees collected from the students admitted into PG Course, GNM & B.Sc. Nursing and BPT Course. She also informed to the members that the fees received from admission into PG Course and BPT Course is very little in terms of the expenditure for running the courses. She apprised the members that in order to attract students for PG Courses the tuition fees for the session 2022-23 have been abolished, only receipt from Nursing

Courses have been making viable all other Courses and there is growing demand for the nursing Courses and the process is going on to get approval from the respective authorities for enhancement of the seat capacity for GNM and B.Sc.(N) Courses.

After the presentation of the Financial Status, Mr. Rajendra Kumar Gupta, CA and member, Finance Committee expressed his view for maintains of Financial Accounts.

In his speech he put forwarded some suggestions in maintaining the records of financial transaction. Those are-

- (i) The consolidated statement should be for 1 year.
- (ii) There should be an opening balance for every quarterly statement and closing balance in terms of cash and kind.
- (iii) There should be records of bank interest and bank expenditure.
- (iv) The receipt from Government grants should be shown in gross amount inclusive of GST or other expenditure.
- (v) Receipt and expenditure should be prepared monthly.
- (vi) There should be a yearly record of receivable and payable amount.
- (vii) Each quarterly statement should reveal the cumulative balance amount.
- (viii) There should be one Corpus Fund or a risk management fund to tide over financial problems if any-
- (ix) Interest from fix deposit should be shown as income in the receipt side every year.
- (x) There should be one investment Committee to decide how the fixed deposit should be invested.
- (xi) There should be one asset register.
- (xii) The repair maintenance should be classified.
- (xiii) Electricity bill should be separately show for the University.
- (xvi) In addition to this he suggested to execute quarterly internal audit forming an internal audit Committee. He also emphasizes that utilization certificate should be certified by CA.

The committee appreciated his suggestions and the president requested him to come to the University frequently to suggest regarding maintenance of the accounts.

At last, the president delivered his concluding speech. In his speech he hopes to have our financial management to be systematic. In addition, he mentioned about the running of Ph.D. Programme and quality result shown by PG Student among whom a few students have been able to qualify in UGC NET Examination. He also mentioned that the process is going on to start teacher training course in our University.

UNIVERSITY PG DEPARTMENTS

Department of Assamese

Introduction

Krishnaguru Adhyatmik Visvavidyalaya was officially inaugurated on August 3, 2017. The Assamese Department was started in the same year. The Department is trying to focus on research in Assamese Language and Literature besides thematic curriculum. There are also plans to take effective measures in the field of Assamese language teaching. The Department has adopted Krishnaguru High School in Nasatra area and prepared a practical test scheme in this regard. The Department has already included values education in the curricula. Journalism, Lexicography, Bhakti Tattva and Sankaradeva Studies has been added as Value Added Courses. Students are being prepared to success in competitive Examinations like NET & SLET.

The first teacher of the Visvavidyalaya was appointed in the Assamese Department. Dr Madhurjyaa Mondit Baruah joined the Department informally on August 1, 2017. He was officially appointed on August 14, 2017. Shri Khanin Talukdar joined the Department temporarily that year. Later, Shri Jahnabee Basumatary joined the Department on February 14, 2018 and Dr Gobinda Prasad Bhuyan on August 8, 2018.

The Department started Postgraduate Course in the 2017-2018 Academic Session. In 2020, the first PhD Programme was enrolled.

Krishnaguru College of Science & Technology

Krishnaguru College of Science and Technology is one of the constituents of Krishnaguru Adhyatmik Visvavidyalaya, Nasatra, Barpeta, Assam, started in 2009, it has been operational from its own sprawling campus spread over 6 acres of land at Krishnaguru Sewashram, Nasatra, Barpeta district, Assam.

Krishnaguru Sewashram at Nasatra is a premier socio-religious institution in the North-East Indian. It was established by Paramguru Krishnaguru Prabhu in the year of 1974 and since then it has become the abode of meeting of people from different parts of India as well as from different countries of the world irrespective of caste, creed, race, community and religion. Inspired by the spiritual teachings of Paramguru Krishnaguru Prabhu to see all living beings in oneness as soul, the devotees work here for welfare of humanity without self-interest.

In order to provide spiritual knowledge along with the usual school/college curriculum, Paramguru Krishnaguru Prabhu Ishwar has established a number of schools and colleges like Krishnaguru Vidyajyoti, Krishnaguru Mahavidyalaya, Krishnaguru College of Science & Technology and the newly established Krishnaguru Adhyatmik Visvavidyalaya (KAV), are few of them. In order to spread His Holy messages and spiritual teachings, His Holiness has established a number of Sewashram at different places of Assam as well as places like Allahabad, Brindaban in Uttar Pradesh and also in other states like Bihar, Delhi, Haryana, Orissa etc. As a constituent of the Krishnaguru Foundation, the college is aware of the need of a system of education with holistic vision for preparing the youth to meet the challenges of the new millennium by imparting spiritual education along with the usual curriculum.

The college offers a number of courses on physical and biological science under Assam Higher Secondary Education Council and also B.Sc. courses under Krishnaguru Adhyatmik Visvavidyalaya, Nasatra. It has the unique distinction of being spiritual, secular and cosmopolitan centre of education where qualified and committed teachers interact with students from different parts of North East India aiming to create a dynamic environment for all round growth.

The academic buildings and part of the residential buildings of the college were laid out under the guidance and blessings of His Holiness Paramguru Kishnaguru Prabhu. Now the ongoing infrastructure and academic activities of the college has been carried out under the noble patronage of the highly esteemed Gurukrishna Premananda Prabhu and the revered Bhakti Matri Kuntala Patowary Goswami Aai. Keen interest and patronage from the lakh of devotees of Krishnaguru Sewashram towards the institution is also gratefully acknowledged.
